UKC Permanent Registration Form

The process by which an Application for Permanent Registration is filled out completely and submitted to UKC. The Application for Permanent Registration is a temporary application used to permanently register a dog whose litter has been registered, and which holds no rights and privileges regarding event participation and/or for that dog to be used for breeding.

UKC Dog Registration Name

Naming your puppy: You are allowed 30-character spaces (including letters, punctuation and spaces) which needs to include de Rebel (this is required by us for all of our puppies). If you have any questions or need any help with the naming process, please do not hesitate to ask. Any name deemed discriminatory towards race, religion, gender, sexual orientation, disability or national origin will be denied.

NAVHDA

The North American Versatile Hunting Dog Association is a nonprofit corporation whose purpose is to foster, promote, and improve the versatile hunting dog breeds in North America; to conserve game by using well trained reliable hunting dogs on both land and water; and to aid in the prevention of cruelty to animals by discouraging nonselective and uncontrolled breeding, which produces unwanted and uncared for dogs.

The North American Versatile Hunting Dog Association is a legally recognized nonprofit organization dedicated to fostering, improving, promoting, and protecting the versatile hunting dog in North America.

Underlying these aims is the desire to serve the interests of game conservation, prevention of cruelty to animals, and the gun dog hunter by helping the hunter to train his dog to work before and after the shot, on land and in water.

NAVHDA is an excellent complement to the activities of sporting dog breed clubs and field trial organizations. It was created to supplement the activities of those clubs by providing a proven, standard method of evaluating the performance of all versatile hunting dogs, consistent with North American hunting practices, regardless of breed.
